| <b>AGROINDUSTRIAL COLBUN LTDA.</b>  | <b>SINGLE STRENGTH PULP/PUREE OF CULTIVATED BLACKBERRY</b> |  |

|  |                                      |
|--|--------------------------------------|
| <b>1.- PRODUCT DESCRIPTION</b>   |                                      |
| Single strength pulp of cultivated blackberry is a product made from fresh, healthy and ripe fruit that goes through a hot extraction process, then sieved, sterilized and aseptically packaged transforming it in a product with a very high standard for our clients. The handling processes as well as the equipment involved are in compliance with Good Manufacturing Practices and comply with strict hygiene, quality and safety standards. |                                      |

| <b>2.- SPECIFICATIONS</b>  |                                      |
| <b>Organoleptic Characteristics</b>  |                                      |
| Flavor   | Blackberry                           |
| Odor   | Characteristic to the product        |
| Color  | Characteristic to the product        |
| Texture  | Soft and homogeneous                 |
| <b>Physic &amp; Chemical characteristics</b>   |                                      |
| Sieve  | 0.5 - 0.8 mm                         |
| Brix   | 7° - 13° Brix.                       |
| pH   | 3.0 – 3.8                            |
| Citric Acidity   | 0.8- 2.0 %                           |
| Bostwick Consistency   | <22 cm. Direct at 20°C for 30 sec.   |
| <b>Microbiological characteristics</b>   |                                      |
| Mold total Count   | <10 Cfug.                            |
| Yeast total Count  | <10 Cfug.                            |
| <hr/>  |                                      |
| <b>3. PACKAGING &amp; PRESENTATION</b>   |                                      |
| Primary packaging  | Double metalized aseptic bag         |
| Secondary packaging  | Metallic conic drum with liner of PE |
| Gross Weight   | 238+/- 4Kg.                          |
| Net Weight   | 228+/- 4 kg                          |
| Dispatch format  | Pallet with 4 drums                  |
| Drums for FCL  | 80 drums                             |
| <hr/>  |                                      |
| <b>4.- SHELF LIFE</b>  |                                      |
| 2 years after elaboration date in its original packaging   |                                      |
| <hr/>  |                                      |
| <b>5.- STORAGE CONDITIONS</b>  |                                      |
| Storage in a fresh and dry place between 18-25°C of temperature  |                                      |
| <b>Agroindustrial Colbún Ltda., certifies that its product has HACCP and KOSHER certifications.</b>  |                                      |
